MESSAGE

Various kinds of Public Sector Undertakings have been created by the Government of Haryana for discharging varieties of duties of the State in an efficient and coordinated manner. Public Sector Undertakings have been created so that decisions could be taken in a decentralised manner by the management of the PSUs without requiring to go through relatively more complex procedures under the Government.

The annual profile of the Public Sector Undertakings encapsulates their performance during the previous years. This profile is relating to the years 2011-12 and 2012-13. The publication of this profile is to make their functioning transparent and widely known to the public. I expect this profile to help the PSUs to improve their functioning further.

Anil Dhantori
Chairman, Haryana Bureau of
Public Enterprises

PREFACE

This profile of State Public Enterprises is being brought out by the Haryana Bureau of Public Enterprises for two years 2011-12 and 2012-13. It gives broad introduction of the various Public Sector Undertakings and also their financial performance during these two years. I expect the performance of the PSUs to be debated in public domain so that suggestions could come forward for improving their performance further.

I complement the Haryana Bureau of Public Enterprises for bringing out the profile of Public Sector Undertakings on regular basis.

Rajan Gupta
Additional Chief Secretary to Government
Haryana, Finance Department
